Ashes of My Pain Lyrics

Another day heightened demons,
High octane - tame the beast.
Armour dented hanker down,
Blame myself, Digest the pain.

See me through my own eyes,
Walk a mile in my shoes.
Contemplate just how I feel,
A poisoned heart, A broken seal.

Ashes of my pain.
Ashes of my pain.

My inner circle is all I trust,
Even family don't understand.
I've been breaking stones for years,
Like a prisoner, To myself.

Ashes of my pain.
Ashes of my pain.
Ashes of my pain.

You can't help me
I wonder on my own
On my own.
You can't help me
I wonder on my own
On my own

Bomboleo Bomboleo.....
I'm outta time, I walk a line,
Procastinate,
Cos I'm outta here.
